

General Information

This is Your warranty, which You should keep in a safe place. It shows what You are covered for and what is not included within the coverage of this warranty. Please read this document carefully as it is important that You understand the cover that We provide. This warranty is validated by the issue of a Proposal Form, containing Your warranty number.

What parts are covered?

We cover You against loss due to Mechanical Breakdown of certain parts during the period of cover. Only the parts, labour costs and VAT, under the appropriate headings are protected. Any part or condition that is not listed in the 'What is covered' section will not be covered.

Change in circumstances

You must contact the Administrator as soon as possible about any changes which may affect Your warranty. In particular You must tell Us if You change Your address or You no longer have the covered Vehicle in Your possession. Please remember that if You do not inform Us of any changes, it may affect any claim that You wish to make under this warranty.

Law Applicable

Unless specifically agreed to the contrary prior to warranty inception, this warranty shall be subject to English Law.

1. Maintenance and servicing

Care of Vehicle - You must take all reasonable steps to safeguard Your Vehicle from loss or damage. You must keep it in an efficient and road worthy condition and regularly service it in accordance with the guidelines set out under the heading "Servicing Standards". You must allow Us free access to examine the Vehicle at all times.

2. Reporting a Mechanical Breakdown

If a covered part fails, You must report it as soon as reasonably possible, but no later than 7 days afterwards, following the instructions in this warranty under "How to make a claim". We are not liable to pay anything if You do not report the Mechanical Breakdown as required. Work must be carried out within 30 days of reporting a fault to Us.

3. Repairs procedure

You must obtain authorisation from the Administrator before having any repairs carried out. Repairs should be made through Car Kingdom Auto Centre Limited or an Authorised Repairer. If the covered part is beyond economic repair, the repairer may replace it with a similar part. You may have to provide the Administrator with proof of servicing before a claim is settled under this warranty.

4. Misinformation

If any information provided to Us by You or anyone acting on Your behalf is inaccurate or if You fail to disclose any information which might reasonably affect Our decision to provide cover to You or Our assessment of Your claim, Your cover under this warranty

5. If You make a claim and any other insurance would also entitle You to claim except for the existence of this warranty, the warranty will only contribute its rateable proportion of the loss.

6. We have the right to:

- (a) examine the Vehicle
- (b) obtain an expert assessment at Our expense, the result of which will be binding on all parties;
- (c) nominate the repairer. If, following specific arrangements for inspection, and through no fault of Ours, the engineer cannot inspect - for example, because the Vehicle is not available or is not stripped etc - We will deduct fees for the second inspection visit from the authorized amount of the claim.
- (d) We will not pay for the cost of diagnosis.
- (e) Labour costs will be restricted to Our maximum agreed labour rate..
- (f) We will not pay the first £100 of any claim.

7. If We accept a claim We have the right: a contribution from You, if the repaired Vehicle will ultimately be in a better condition than before the claim.

8. This warranty is limited to a Mechanical Breakdown of each covered part on only one occasion during the period of warranty.

9. If more than one covered part has failed at the time You contact the Administrator, it will be dealt with as one claim.

10. We have the right to specify the use of warranted reconditioned or exchange units. Our liability will be limited to the cost of these parts.

11. If You are VAT registered, the VAT element will not form part of any claim against Us.

12. If We give provisional authorisation for repairs, We will assess repair times in line with the Autodata manual current at the time. We will not pay more than the manufacturers list price for parts or the RRP of OEM parts, whichever is the lesser amount.

13. We are not liable for any claims directly or indirectly caused by:

- a) non-compliance with the conditions relating to the maintenance of the Vehicle;
- (b) any act, omission or negligence by You (or any user of the Vehicle), which adds to the loss or damage;
- (c) fire, collision, frost, snow, ice, flooding, freezing, corrosion, carbon build up, blockage by foreign matter and water ingress;
- (d) parts being subjected to recall by the manufacturer or parts which fail as a result of inherent design faults or well publicised defects, leading to the parts being redesigned, updated or superseded;
- (e) the failure of a part which is under any manufacturer's warranty;
- (f) any costs / damage that are indirectly caused or Your failure to take preventative steps that result in damage being caused (for example, the Vehicle being driven with a defective part) and any loss arising from:
 - excluded parts;
 - incorrectly fitted parts or use of wrong lubricant;
 - insufficient servicing, coolant or lubrication;
 - faults present at purchase;
- (g) losses normally covered under a road risks insurance policy or losses resulting from an accident to the Vehicle;
- (h) The Vehicle having been altered or modified from the manufacturer's original specification, or having been raced, rallied, used in competition, or for Hire or Reward;

- (i) any parts which have not actually failed and which are replaced during routine servicing or maintenance;
- (j) the Vehicle being beneficially owned by a company or person involved in the business of Vehicle repair, servicing or dealership or by an employee of such a company or person;
- (k) exhaust emission MOT failures - these are not Mechanical Breakdowns and are not covered;
- (l) any Mechanical Breakdown caused by lack of normal and proper use or care, including the incorrect use of fuel.
- (m) Mis-diagnosis of a required repair by the garage carrying out the authorised claim
- (n) Costs for adjustments, freeing off, cleaning or lubricating of parts.

EXCLUSIONS

The exclusions listed below apply to Your warranty.

1. Your warranty does not cover injury, loss or damage that is caused by the following:

- a) Corrosion, frost, lack or leakage of anti-freeze lubricants or hydraulic fluids.
- b) A defect which is likely to have existed before the start of the warranty.
- c) Foreign matter entering the fuel or cooling system. Faulty repair or incorrect servicing of the Vehicle. A grade of oil, fuel, lubricants, hydraulic fluids or any additives which the manufacturer of the Vehicle does not recommend.
- d) Repairs, replacements or alterations which We have not authorised, experimental equipment, routine servicing or maintenance of vehicles in any way modified from the manufacturer's specification.

2. Losses:

- a) Occurring during the warranty or warranty period of any manufacturer or where faults have developed during such period prior to the commencement date as noted on the Proposal Form (provided they were evident at that time) and which have not been completely rectified.
- b) Resulting from any modification to the Vehicle or the substitution of components by non-standard components or equipment not approved by the manufacturer of the Vehicle.

c) Caused by:

- i. wear and tear, overheating or corrosion
- ii. routine servicing maintenance or repair of the Vehicle or from negligence, abuse or wilful damage.
- iii. the subjecting of the Vehicle to a load greater than that permitted by the manufacturer's recommendations.
- iv. fire, self ignition, lightning, earthquake, explosion, frost, storm, tempest, flood, water damage, theft or attempted theft, aircraft or other aerial devices or articles dropped there from or any extreme cause.
- v. any road traffic accident or collision.

- ci) Any components which have not failed but have been reported as requiring replacement during routine servicing and/or repairs or at the time repairs are in progress.
- cii) Any Vehicle used for competitions, racing, pace making, rallies, off road use, or for Hire or Reward.
- ciii) Any Vehicle which is owned by a business formed for the purpose of selling or servicing motor vehicles.
- civ) Mechanical Breakdown of a component or components which are either subject to recall by the Vehicle's manufacturer or can be considered as having inherent design faults.
- cv) Any parts or components that are not listed under "What is covered".
- cvi) Mechanical Breakdown which happens outside the Geographical Limits.
- cvi) Any loss where the speedometer has been tampered with, altered or disconnected.
- cvi) Any liability for death, bodily injury or loss of or damage to property other than the parts covered or loss of use or any consequential loss of whatsoever nature.
- cix) Non compliance with the conditions relating to the servicing of the Vehicle.
- cx) Bristol, Bugatti, Cosworth, DeTomaso, Dorchester, Ginetta, Hummer, Honda NSX models, Lamborghini, Lancia Thema, Maserati, Maybach, Mitsubishi 3000GT, Marcos, Noble and Vans above 3500KG. Kit cars, Grey imports and any American make of vehicle unless manufactured as right-hand drive for the UK market; any vehicle not mentioned in Glass's Guide, buses emergency vehicles, scooters, motorcycles, invalid carriers or vehicles used for road racing, rallying, pacemaking, speed testing or any other competitive event or any vehicle which has been modified other than in accordance with the manufacturers specifications and any make of vehicle not built for principle sale in the UK.

Additional items excluded
(from all levels of cover)

Working materials

Unless working materials and supplies such as oils, filters and antifreeze are required as a direct result of the failure of a covered part.

Clutch

Where the clutch is burnt out.

Brakes

Brake discs, brake pads, brake lining/ shoes, brake callipers.

Contaminated fuel

The cleaning of fuel lines, filters, carburettors and pumps/nozzles.

Electrical accessories

Bulbs, lamps/lenses, batteries, fuses, wiring harness, wiring terminals and the remaking of disturbed electrical connections, car telephones and satellite navigation systems.

Additional Items Excluded

1. Air conditioning recharging, anti-freeze, lubricants, filters, transmission fluids, seized calipers, internal or external oil seals, turbo charger, cracked blocks and heads, overheating, linkages, cables, lock barrels, keys, key fobs, drop links, window regulators & cables, water ingress, exhaust system, auxiliary drive belts, brackets, mountings, tappings, supports, fixings and fastening devices, fuel tank, corrosion, rubber hoses, pipes and unions, all core plugs, air bags and systems (inc. switches, modules and control unit), decarbonisation, and failures caused by the build-up of carbon deposits (including burnt valves), serviceable and auxiliary parts such as plugs, points, condenser, distributor cap, rotor arm, incorrectly fitted or repaired parts, any damage sustained through ingress of a foreign body or fluid and any parts not listed as being covered by this warranty.
2. All bodywork, handles and hinges, interior/exterior trim, brightwork, paint, glass (including front & rear heated screens & elements), weatherstrips, rubber seals, sheet metal, sun roof panels, carpets, seat belts, wiper arms/blades, wheels and tyres, wheel alignment/balancing, adjustments.
3. Service parts and other parts subject to routine maintenance or periodic repair including but not limited to plugs, points, condenser, distributor cap, rotor arm, HT leads, filters.
4. Any item or accessory not in the manufacturer's original specifications.
5. Cover excludes all internal and external oil leaks.
6. We will not cover local tax if the repair is completed outside of Great Britain.

Servicing Standards and Record

The Warranty holder is solely responsible for providing proof that the relevant service and timing belt schedules have been fully complied with. In order that this warranty is not invalidated, You must ensure that the Vehicle is serviced by Car Kingdom Auto Centre Limited or their Authorised Repairer.

Servicing options

1. If Your Vehicle does have a service book detailing a full service history from new, then Your Vehicle should be serviced by a VAT registered garage in accordance with the manufacturers recommendations, for the specific make, model and age of Your Vehicle. Please ensure that You are fully aware of the manufacturers recommended service intervals for Your particular make, model and age of Vehicle. OR If
2. Your Vehicle does NOT have a service book detailing a full service history from new but a pre-delivery service and PDI were carried out, You can then have Your Vehicle maintained in line with the manufacturers recommendations. You may be required to produce evidence of the PDI / service in the event of a claim. OR
3. If Your Vehicle does NOT have a service book detailing a full service history from new and a pre-delivery service and PDI has NOT been carried out, You will be required to have Your Vehicle serviced by a VAT registered garage 12 months or 6,000 miles from the date of purchase/ mileage at purchase, whichever is sooner. Thereafter, You must continue to have Your Vehicle serviced every 12 months or 6,000 miles, whichever is sooner.

On all the above options, We will allow a maximum of 1,000 or 4 weeks leeway on either side of the stipulated time, whichever occurs first.

New Vehicles - During the manufacturer's warranty please ignore the servicing schedules shown in this booklet.

Failure to service the Vehicle in accordance with this requirement will end Your warranty. The only acceptable proof of servicing are fully detailed original VAT invoices from a bona fide VAT registered garage,

Betterment

In the event of a claim, We reserve the right to call for a contribution from You for Betterment should the repaired Vehicle ultimately be in a better condition than it enjoyed immediately prior to the occurrence of the claim.

The following table will apply where Betterment is applied. The % reduction to be applied to the costs of parts and labour (inc VAT).

All mileages are from the date the Vehicle was first registered.

70,000 to 80,000 miles	= 10%
80,001-90,000 miles	= 15%
90,001 to 100,000 miles	= 20%
100,001 to 110,000 miles	= 25%
110,001 to 120,000 miles	= 30%
120,001 to 130,000 miles	= 40%
130,001 to 140,000 miles	= 50%
140,001 to 150,000 miles	= 60%
Over 150,000 miles	= 70%

Timing Belts/Camshaft Drive Belts

It is of the utmost importance that the Timing Belts fitted to Your vehicles are in sound condition and are checked, adjusted and have been changed in accordance with the manufacturer's recommendations. If You are in any doubt or do not have specific proof (ie. detailed garage receipt) which will be required in the event of a claim. Failure will cause extensive engine damage. We will not accept liability for damage caused by worn or incorrectly adjusted Belts (replacement receipts will be required) we recommend that You obtain confirmation from Car Kingdom Auto Centre Limited.

Making a claim

Should You need to make a claim, You may find the following advice helpful:

- Always check Your warranty and schedule to see if the cause of the Mechanical Breakdown is covered;
- Follow the claims procedure below.
- If You do not use an Authorised Repairer, You may be asked to pay for the repairs and then reclaim the agreed monies from Us.

Claims will only be paid if the monies due have been paid in full. If you are paying by instalments we reserve the right to deduct any repair costs from the outstanding balance. Only claims reported to the administrator during the period of warranty will be considered.

Out-of-hours claims

The Administrator's hours are 9am - 5pm Monday to Friday.

The most We will pay

Please see the Proposal Form for the maximum amount We will pay. The amount includes parts, labour and VAT (if You are not VAT registered) and any benefit from the 'Additional benefits' section. Any reprogramming time required following repair or replacement of a covered item will be limited to a maximum of 1 hour at the maximum hourly labour rate.

Additional benefits

If We accept a claim, You may also claim the following benefits, but the amount We will pay must not exceed the amount stated on the Proposal Form. You must always get Our authorisation for these costs

1. Towing-in: We will pay for towing charges up to £50, including VAT.
2. Continental use: Cover is extended for up to 60 days in any 12-month period while the Vehicle is in any country of the European Economic Area. The most We will pay is restricted to the equivalent UK rate for labour charges, and for parts at the manufacturer's list prices, which are current at the date of the claim

Customer Complaints

We always aim to provide a first class standard of service, however if You have any cause for complaint any enquiry in the first instance should be addressed to Car Kingdom Auto Centre Limited to ensure they have made appropriate representation on Your behalf. If Your complaint is one of the few that cannot be resolved You should write to: RA Claims Limited, V12 B Merlin Park, Ringtail Road, Burscough, Lancs, L40 8JY. Telephone: 0161 505 1404.

Termination on sale

This warranty ends if You sell or dispose of the Vehicle

Conditions of transfer

This Mechanical Breakdown warranty only applies to the Vehicle and is not transferable to any other party. If ownership of the Vehicle is transferred, cover ends immediately,

Claims Procedure

If the Vehicle shows signs of an imminent failure, DO NOT continue to use it. This may aggravate the problem and cause greater damage, for which We will not be liable.

Find the cause of the problem and check whether it is covered by this warranty. We will not pay for any stripping down of the parts to determine the cause of the failure unless We accept the claim.

The most We will pay in total is the Claim Limit for Your Mechanical Breakdown warranty.

If You consider You have a claim, DO NOT proceed with repairs until the claim is authorised by the Administrator.

NOTE: If Car Kingdom Auto Centre Limited is not able to arrange for the repairs, You must call the Administrator on 0161 505 1404 for details of an authorised repairer.

Your repairer must telephone the Administrator on 0161 505 1404 and obtain a claim authority number.

At that time the Administrator will need:

- Warranty number
- Total cost
- Nature of claim
- Current mileage
- Warranty holder's name
- Indication of service history

The Administrator may authorise repairs immediately; call for other estimates; nominate another repairer; investigate the claim further; and appoint an independent assessor to inspect the Vehicle.

When repairs are authorised a claim authority number will be given. However, admission of liability is conditional on the terms and conditions of this warranty having been kept to, for example, servicing.

On completion of repairs, send the following documents to the Administrator RA Claims Limited, V12 B Merlin Park, Ringtail Road, Burscough, Lancs, L40 8JY.

- (a) the repairers invoice for repairs (which should be made out to Car Kingdom Auto Centre Limited C/o RA Claims Limited), which must quote the Proposal Form number, claim authorisation number and details of who to pay; and
- (b) evidence of the Vehicle service history, including invoices, from the start date of the warranty (if requested).

Mechanical Breakdown Warranty

ELITE COVER (All Mechanical & Electrical components) What is Covered?

All Mechanical & Electrical components, including, but not limited to, the items below. The only components NOT covered are the items listed in the "Additional Items Excluded" section of this document.

Engine

Rocker assembly, inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), cylinder head (excluding cracks and overheating damage), head gasket, head bolts, push rods, camshaft and cam followers, timing gears, chains and tensioner, oil pump, pistons and rings, cylinder bores, gudgeon pins, con rods and bearings, crankshaft and bearings, oil seals and bushes, inlet and exhaust Mass), distributor drive, oil cooler.

Timing belts

are covered if there is proof that the manufacturer's replacement recommendations have been complied with, and they are free from oil contamination

Manual Gearbox

All internal failures of gears, shafts, synchromesh, hubs, selectors, seals and bushes, bearings, speedometer drive, overdrive units (when fitted), solenoid, transfer box.

Automatic Gearbox

All internal failures of gears, oil pump, seals, shafts, bushes, clutches, brake bands, bearings, governors, servos, torque convertor, drive plate, valve block, computer governor, modulator valve, speedometer drive.

Continuous Variable Transmissions (CTX/CVT)

All internal failures of clutches, planetary gears, reduction gears, shafts, variable pulleys, thrust link drives, internal seals, bushes and bearings.

ABS Braking

ABS computer/ sensors/pumps

Brakes

Master cylinder, wheel cylinders, brake calipers, servo, brake pumps, brake limiter valve (excluding seized components).

Steering

Rack and pinion, steering box, idler box.

Power Steering

Rack/ram and pump, reservoir, steering column.

Cooling system

Water pump, thermostat, heater matrix, electric fan motor/sensor, viscous fan coupling, radiator, sensor.

Air Conditioning

Air conditioning pump, condenser, evaporator, magnetic clutch and valves (when fitted as standard).

Propshaft

Propshaft, universal joints and bearings.

Fuel system - petrol/diesel

Mechanical/electrical fuel pump, carburettor, electronic carburettor sensors and stepper motor, choke assembly, injection system.

Wheel bearings

Front and rear wheel bearings.

Clutch

Centre plate, pressure-plate, thrust bearing, clutch fork, cable, master cylinder, slave cylinder

Electrics

Starter/solenoid, alternator, regulator, coil, distributor, electronic ignition module, front and rear window/headlamp wiper motors, heater fan motor, indicator inter-rupter unit, electric window motor, sun roof motor, instrumentation gauges, centralised locking solenoids/pumps, switches relays, sensors, electric aerial motor, horn, cruise control system, in-car entertainment (up to £100), (Front and rear heated screens and elements are excluded from cover).

Electronic control unit

Ignition system, fuel systems, transmission system.

Casings

Cylinder block, gearbox and axle, if they have been damaged by a Mechanical Breakdown of one of the covered parts.

Front/rear suspension

Shock absorbers, coil springs, upper and lower wishbones, ball joints, swivel joints, McPherson struts, suspension arms, anti-roll bar, self-leveling units and reservoir, pump and regulator valves, seals, displacer, hydro pneumatic system.

Drive system (front/rear)

Crown wheel and pinion, ball shafts, half shaft oil seals, planet gears, bevel gears, rear external drive shafts, constant velocity joints, 4-wheel drive units. Excluding: Beam axle and bearings, radius arm and bearings, rubber gaiters, drive flange, together with all other parts not listed.

Mechanical Breakdown Warranty

MERIT (LISTED PARTS) What is Covered?

Cover is provided to the components specifically listed below

Engine

Rocker assembly, inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), cylinder head (excluding cracks and overheating damage), head gasket, head bolts, push rods, camshaft and cam followers, timing gears, chains and tensioner, oil pump, pistons and rings, cylinder bores, gudgeon pins, con rods and bearings, crankshaft and bearings, oil seals and bushes, inlet and exhaust Mass), distributor drive, oil cooler.

Timing belts

are covered if there is proof that the manufacturer's replacement recommendations have been complied with, and they are free from oil contamination

Manual Gearbox

All internal failures of gears, shafts, synchromesh, hubs, selectors, seals and bushes, bearings, speedometer drive, overdrive units (when fitted), solenoid, transfer box.

Automatic Gearbox

All internal failures of gears, oil pump, seals, shafts, bushes, clutches, brake bands, bearings, governors, servos, torque convertor, drive plate, valve block, computer governor, modulator valve, speedometer drive.

Continuous Variable Transmissions (CTX/CVT)

All internal failures of clutches, planetary gears, reduction gears, shafts, variable pulleys, thrust link drives, internal seals, bushes and bearings.

ABS Braking

ABS computer/ sensors/pumps

Brakes

Master cylinder, wheel cylinders, brake calipers, servo, brake pumps, brake limiter valve (excluding seized components).

Steering

Rack and pinion, steering box, idler box.

Power Steering

Rack/ram and pump, reservoir, steering column.

Cooling system

Water pump, thermostat, heater matrix, electric fan motor/sensor, viscous fan coupling, radiator.

Air Conditioning

Air conditioning pump, condenser, evaporator, magnetic clutch and valves (when fitted as standard).

Propshaft

Propshaft, universal joints and bearings.

Fuel system - petrol/diesel

Mechanical/electrical fuel pump, carburettor, electronic carburettor sensors and stepper motor, choke assembly, injection system.

Wheel bearings

Front and rear wheel bearings.

Clutch

Centre plate, pressure-plate, thrust bearing, clutch fork, cable, master cylinder, slave cylinder.

Electrics

Starter/solenoid, alternator, regulator, coil, distributor, electronic ignition module, front and rear window/headlamp wiper motors, heater fan motor, indicator inter-rupter unit, electric window motor, sun roof motor, instrumentation gauges, centralised locking solenoids/pumps, switches relays, sensors, electric aerial motor, horn, cruise control system, in-car entertainment (up to £100), (Front and rear heated screens and elements are excluded from cover).

Electronic control unit

Ignition system, fuel systems, transmission system.

Casings

Cylinder block, gearbox and axle, if they have been damaged by a Mechanical Breakdown of one of the covered parts.

Front/rear suspension

Shock absorbers, coil springs, upper and lower wishbones, ball joints, swivel joints, McPherson struts, suspension arms, anti-roll bar, self-leveling units and reservoir, pump and regulator valves, seals, displacer, hydro pneumatic system.

Drive system (front/rear)

Crown wheel and pinion, ball shafts, half shaft oil seals, planet gears, bevel gears, rear external drive shafts, constant velocity joints, 4-wheel drive units. Excluding: Beam axle and bearings, radius arm and bearings, rubber gaiters, drive flange, together with all other parts not listed.

Rocker assembly, inlet and exhaust valves, valve guides and springs (excluding burnt valves and decokes), cylinder head (excluding cracks and overheating damage), head gasket, head bolts, push rods, camshaft and cam followers, timing gears, chains and tensioner, oil pump, pistons and rings, cylinder bores, gudgeon pins, con rods and bearings, crankshaft and bearings, oil seals and bushes, inlet and exhaust manifolds, flywheel (excluding Dual Mass), distributor drive, oil cooler.

Timing belts

are covered if there is proof that the manufacturer's replacement recommendations have been complied with, and they are free from oil contamination.

Casings

Cylinder block, gearbox and axle if they have been damaged by a Mechanical Breakdown of one of the parts covered.

Manual Gearbox

All internal failures of gears, shafts, synchromesh hubs, selectors, seals and bushes, bearings, speedometer drive, overdrive units (when fitted), solenoid, transfer box.

Automatic Gearbox

All internal failures of gears, oil pump seals, shafts, bushes, clutches, brake bands, bearings, governors, servos, torque converter, drive plate, valve block, computer governor, modulator valve, speedometer drive.

Continuous Variable Transmissions (CTX/CVT)

All internal failures of clutches, planetary gears, reduction gears, shafts, variable pulleys, thrust link drives, internal seals, bushes and bearings.

Drive system (front/rear)

Crown wheel and pinion, half shafts, seals, planet gears, bevel gears, rear external drive shafts, constant velocity joints, 4 wheel drive units.
